Dear Mr. Camp:

On May 19, 1999, you were notified that a review of the above-referenced reports raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 26, 1999 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule H3 of your report still discloses a transfer(s)-in from a non-federal account(s) for Administrative/Voter Drive which appears to exceed the permissible amount(s) indicated by your allocation ratio for Administrative/Voter Drive. Please be advised that transfers for shared activity must not exceed the non-federal share of the joint disbursements and that these transfers must be made within a 70-day time period: no more than 10 days before or 60 days after payment to the vendor. 11 CFR §§106.5(g)(2) and 106.6(e)(2) Please clarify the nature of these transfers-in from the non-federal account.

The Commission recommends that you immediately transfer the total excessive amount received by your federal account back to your non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

If this information is not received by the Commission within fifteen (15) days from

the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
